

Happy “Fly High” FryDay

October 23, 2026

The animated movie “Dumbo” was released in New York City theaters on this date in 1941. I’m sure you remember the story based on a children’s book about a baby elephant named Jumbo Jr that everyone made fun of because of his oversized ears. His ears were always getting in his and everyone else’s way and knocking into everything. Thus, he was given the name Dumbo by almost everyone. One small mouse named Timothy became Jumbo Jr’s friend and believed in him.

Timothy helped “Dumbo” discover that he could use his big ears to “Fly High” something no other elephant had ever done!

Help your sales “Fly High” with new ideas and products to sell by attending the next RPA Show in Las Vegas! Make your plans to join your friends and business associates at Caesar’s Place February 24th and 25th to see what’s new in Packaging! Key Manufacturers and Re-distributors will be in attendance showcasing their very best products as well as NEW PRODUCTS to help you increase your sales to new heights! Old friends sharing NEW SALES OPPORTUNITIES is what the RPA Show is all about.

An early list of exhibitors already registered includes American Label Group, Boxit Corp., Buffalo Design & Printing, Cox Paper & Printing, Crinkle Cut, Flower City Tissue, Gage & Gage, GEME International, Import Packaging, Michigan City Box, Morex Ribbon, Packaging Solutions, PWS, Reliant Ribbon, Seaman Paper, Service First Processing, T&J Adventures and Talco Packaging.

“Fly High” with the Best at the RPA Show in Las Vegas!
